Immaculately presented and absolutely nothing to do. The Clever design of this property really is low-maintenance, family-friendly living at its best. And with its fantastic location - near parks and the lakes with school, doctors and a major shopping centre all within a short drive - within a fast-growing community sure to benefit from the addition of a railway.

Downstairs you will find two queen bedrooms, both with built-in wardrobes and one with a sliding door out to its own private courtyard area. On this level is also a modern, separate family bathroom.

Going upstairs you are greeted with a large open-plan living space (lounge/dining), which again has the benefit of
