Either way it feels like a "home" you want to spend more time in. The kitchen is large with European appliances and tranquil views. The four bedrooms are a good size with the master having an ensuite and wiro at the back of the house. Not that noise is a problem this is a lovely quiet cul de sac. The diamond of the house though has to be the stunning swimming pool it's fully paved and just perfect for you to have family and friends around to enjoy the resort like facilities and atmosphere.

Solar hot water, large double garage, great street appeal,
