This home will take your breath away with its spacious luxurious layout.

It's beautiful exterior leads you into a home with flowing tiles and a neutral style and design, that flows through the hallway past the formal lounge/media room and the good sized study into a Chef's delight of a kitchen, large open plan family and dining room and then through to a massive rumpus for the kids or it's a room equally great for the big kids with plenty of room for a pool table.
