Private Viewings Welcome any time...Are you ready to be tempted with a house that offers a lot more than just beautiful mountain views? If you are looking for a large HI-TECH home with the latest entertainment inclusions, this is a terrific opportunity to own a unique 6 bedroom family residence unlike any other, with over 416sqm of living spaces over two expansive levels. From the moment you enter along the architectural open staircase, you start feeling the quality of this designer home. You will be astounded with the luxury inclusions that will (no doubt) exceed your expectations.

With so many amazing features and special inclusions, we have decided to list them for you in point form – after all, it is only reasonable for you to compare these features with others that are on the market:
