Ramzy Homes have done it again...To add to this, it's the builder's own property and it's been designed with lifestyle in mind to include all the extras we like to see in a dream home.

Located on a corner block, you will have all the privacy you have been looking for with the added bonus of a home that has been built on a beautiful elevated block, where the views have been taken into account during the design process.

If you are looking for a spacious home, then you simply must view this property. With 5 large bedrooms, 3 bathrooms, EXTRA SPACE including a media and rumpus room on the upper level, large Master Suite with ensuite and spa, ducted air conditioning, Security System with Video Intercom, Caesar Stone benchtops, the list goes on
