Everything, and I mean everything has gone into designing this stunning stylish spacious (4 bed + study) home... you simply do not need to go through all the hassles of building when it is all right here.

Let's take the tour... start with beautiful street appeal and side access ideal for the boat or caravan. The stylish door opens to high ceilings & a lovely entrance way with an office at the front, through to the media room which is a good size. Walking through to the open plan designed living/ dining and family room (ideal for a pool table) and a kitchen you are going to absolutely LOVE.

Stone kitchen benches, feature glass splashback, funky double sink, dishwasher, room for the big fridge with plumbing and great bench space with breakfast bar all topped off with the fantastic 90cm gas top oven and big
