

16 Pelagian Street AUGUSTINE HEIGHTS QLD

4  2  2 

With a modern interior, fresh and immaculately presented, this fully open-plan home offers 4 bedrooms and 4 living areas, including separate kid's zone and study, all on a wonderful 810m2 flat block.

As soon as you enter the home, the feeling of light and spaciousness is created with a stunning open living floor plan comprising living, dining and a leisure room and lots of windows allowing the natural light to flood in. The chef's galley kitchen is in the centre of this space and features stainless steel freestanding stove, room for a double-door fridge, plenty of bench and cupboard space and good size pantry.

Leading out to the fully covered entertaining area, which is perfect for enjoying a BBQ with friends or Sunday breakfast with the family, you have complete privacy on this lovely

Land Size : 810 sqm
