

Lot 3006 Rufous Crescent BROOKWATER QLD

This is a great sized block with only a slight slope offering you awesome views over the 13th Fairway. Your home will be surrounded by architect designed houses and your new neighbours are families who are already making the most of the fantastic lifestyle that Brookwater Golf Club/ Community offers.

Just stand on this block and listen... that's right peace and quiet and maybe a few kookaburras is as much as you'll hear!

Brookwater as well as being a re-nowned Golf Course is in the heart of the new CBD only minutes away from the Orion Shopping Centre, Education City and the developing Health City. Your Kids will have no problem with many of the private schools providing a bus service and close enough to St. Augustine's College for them to walk to

Land Size : 979 sqm
