

4 Woodlands Avenue Camira QLD

4  3  4 

Private inspections welcome every day!!!! Wow what a Beauty this home is..... Imagine breakfast on the outdoor timber deck looking onto views of the mountains and forest everyday. This is the house for you.

This wonderful renovated home sitting on a fantastic size land of 787m2 has everything you can imagine. As you enter the front doors on the first level you will find a great size lounge room with a separate powder room, separate internal laundry, and a large master bedroom with ensuite complete with a unique claw bath. The downstairs office room has it's own external front door access which would be a great benefit for a home business/office setup.

Walking up the stairs to the second level you walk into the beautiful open kitchen, dining and family room. 3 more fantastic size bedrooms and modern separate

Land Size : 787 sqm
