

24 Neptune Street Springfield Lakes QLD

3  1  1 

We love this cottage! This is one of our favourite homes in Springfield Lakes as it is unique in its look and has beautiful street appeal.

This is your perfect investor opportunity ! Tenants have been in the property since February 2018 and are looking after the property very well.

With its beautiful rendering, bullnose verandah, showing off its colonial character on the outside, and then inside bright and airy with a modern twist.

The property boasts a fantastic location, tucked away in a leafy part of town with bushland at the front and barbecue facilities, yet only a short walk to the shops and the lakes.
