The modern design includes a family-friendly layout with quality finishes:

- Security screens to all windows and doors for extra peace of mind and good air flow in every season
- Simple outdoor patio is covered and concreted for outdoor eating and enjoyment with friends.
- The fully tiled main living and dining areas are spacious and light with lots of windows, ceiling fans and air-con for cooling down in summer.
- Great kitchen for easy meal prep with island bench and plenty of cabinetry for storage. It comes equipped with gas
